

Keep KRYZ on the air and here for Mariposa. Support Mariposa public radio, and all the programming you just won't find anywhere else. Find out how by emailing Jeanne Ann Price at KRYZRadio@gmail.com and let us help you build the Sponsor plan that's right for you. For monthly financial support that fits YOUR budget, we'll include a logo of your choice in the sponsor group on web site, and we'll play a short message (or messages) about you or your group on the air regularly. We'll also play a number of PSA messages about your events or occasions*.

We can play a message you create, or we can produce your message(s) for you. We can use your voice, or we can have our on-air talent record the message(s) for you, all at no charge. We can also include your logo on our Sponsor Recognition list at our live events.

Help keep public radio alive and well. Ask us how!

* KRYZ is a public radio station. Because we are, we cannot play commercials or discuss pricing or sales. Nor can we use "call to action" language in our PSAs. We'll be happy to help write your messages so that they Can be played.
